

stepping stone molds

Use Stepping Stone Molds to make your own stepping stones. Simply mix the concrete, fill the mold, and allow it to harden and cure. You can make multiple stones with each mold. Finished stones are 2 inches thick and 15 to 16 inches in diameter. Various designs are available.

GardenMolds by Catherine Failor Design, 360-665-5491, www.gardenmolds.com. \$21.95.

KAUNY HORIBE, WATSONVILLE, CA "The Stepping Stone Mold was easy to use and perfect for making stones for my garden walkway."

THEA LITTLEBEAR, EUGENE, OR "My seven-year-old daughter and I had fun using the mold. The details came out really well."
